

# STEEL MILL CRANES

## Steel Mill Cranes, Designed for Reliability and Long Service

### STEEL MILL CRANES

Provincial produces all types of steel mill cranes, including hot metal ladle cranes which can lift up to a 500-ton ladle of hot metal. High speed continuous duty production cranes and down to 1-ton capacity foundry ladle cranes, covers the complete spectrum of material handling equipment in the steel mill environment.

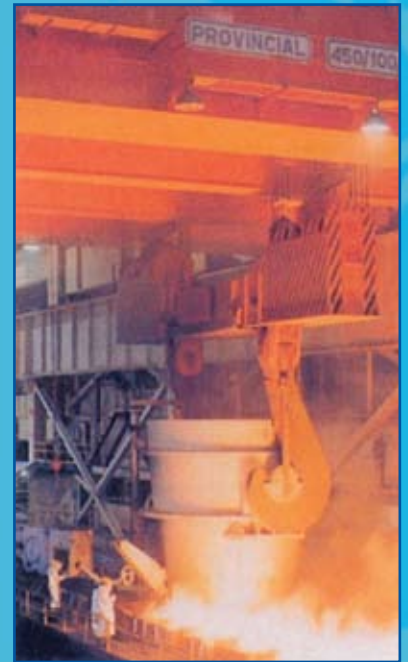

- New, heavy-duty cranes designed to help produce and deliver more steel, faster. Every Provincial crane is designed for superior performance 24 hours a day.
